INITIAL PUBLIC OFFERING

A project by Nadine Norman

It's an IPO offering shares in Nadine Norman's availability. If she sells them all (she won't) she could become unavailable, unless people start to trade. The venture highlights her ongoing inquiry into the notion of exchange, and culminates in her solo exhibition ("I'm available. And you?") at the Musée d'art contemporain de Montréal till January 26th.

Nadine Norman is a Canadian artist who has been living in Paris since 1993. She maintains a multidisciplinary art practice that blurs the boundaries between fiction and reality.
